<b>E</b>	<b>G</b>	<b>S</b>	<b>M</b>	<b>U</b>	<b>N</b>
<b>Exceptional</b>	<b>Good</b>	<b>Satisfactory</b>	<b>Marginal</b>	<b>Unsatisfactory</b>	<b>Neutral</b>
Performance meets contractual requirements with many exceeded to the Government's benefit. The contractual performance of the element or sub-element being assessed was accomplished with no more than a few minor problems for which corrective actions taken by the contractor were highly effective.	Performance meets contractual requirements with some exceeded to the Government's benefit. The contractual performance of the element or sub-element being assessed was accomplished with no more than some minor problems for which corrective actions taken by the contractor were effective.	Performance meets contractual requirements. The contractual performance of the element or sub-element contains some minor problems for which corrective actions taken by the contractor were satisfactory.	Performance does not meet some contractual requirements. The contractual performance of the element or sub-element being assessed reflects a serious problem for which the contractor has not yet identified corrective actions or the contractor's proposed actions appear only marginally effective or were not fully implemented.	Performance does not meet most contractual requirements and recovery is not likely in a timely manner. The contractual performance of the element or sub-element contains a serious problem(s) for which the contractor's corrective actions appear or were ineffective.	Performance was not observed or not applicable to the current effort being reported against.
