## PRODUCT FEATURES

### Budget Friendly Bollard Option.

Our fixed bollard option is great for areas requiring a low security solution. Made from durable materials, it offers a visible deterrent while remaining easy to install and maintain—ideal for pedestrian zones, parking lots, and low-risk environments.

- Buy American Act Compliant
- Bollard covers can be installed to match architecture
- Shallow mount with 12" foundation depth
- Can be installed in existing terrain
- Cost effective for low-security bollards

## PRODUCT BENEFITS

### Efficient and Flexible Layout.

#### Shallow Foundation

With a shallow foundation of only 12" deep, our system avoids potential conflicts with underground utilities.

#### American Made

This product is meticulously built in the United States, ensuring unrivaled durability and security while elegantly fitting into any urban or architectural scene.

#### Customize Spacing

Enjoy the flexibility of certified bollard spacing at any distance with our modular design that accommodates specific site conditions.
