

Sloan Traffic Bollard, C40/P1

ITEM: #TB-2040

PRODUCT FEATURES

Simple Installation. Better Protection.

Introducing Sloan's traffic bollard, rated at C40/P1 to ASTM F2656-07 standards. Built for durability and safety in urban settings, storefronts, car parks, and pedestrian zones. Designed for fast, simple installation, while prioritizing safety and security. Highly cost-effective bollard for a variety of spaces.

- ASTM F2656-07 C40/P1 Certified
- Tested as a single bollard
- Low maintenance design
- Can be installed in existing terrain
- Cost Effective

PRODUCT BENEFITS

Affordable Certified Design.

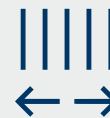

Fast Installation

The set & pour method simplifies the entire installation process. With no rebar being required, install time and cost is reduced by nearly 50%.

Adapt to Terrain

Whether it's changes in grade elevation or tight turns, our traffic bollard system effortlessly adapts to the landscape.

Custom Spacing

Enjoy the flexibility of certified bollard spacing at any distance with our modular design that accommodates specific site conditions.
